ELISA

Dual motor riser recliner
armchair

RE/016/PB2

DESCRIPTION

The dual motor riser recliner armchair Elisa is a safe support for people wishing to reach an optimal position independently.

- Relax position: thanks to its two motors, this riser recliner armchair allows independent movement of the backrest and footrest and is suitable for all needs. The user can reach an ideal position for blood circulation and total relax.
- Raised position: thanks to the assisted lift, the user can reach a standing position independently and without efforts.

Elisa allows the user to reach a standing or relaxation position with a maximum opening of 165 cm.

- The remote control in the lateral pocket ensures an easy and full use of all functions. The armchair is equipped with wheels.

The company provides after sale service at home contacting the toll-free number in the specific warranty leaflet.
