# LAURA

Dual motor riser recliner  
armchair

RE/004/TO2

## DESCRIPTION

The dual motor rise recliner armchair Laura is a safe support for people wishing to reach an optimal position independently.

- Relax position: thanks to its dual motors, this riser recliner armchair allows independent movement of the backrest and footrest and is suitable for all needs. The user can reach an ideal position for blood circulation and total relax.
- Raised position: thanks to the assisted lift, the user can reach a standing position independently and without efforts.

Laura allows the user to reach a standing or relaxation position.

- The remote control in the lateral pocket ensures an easy and full use of all functions.

The company provides aftersale assistance at home contacting the toll-free number in the specific warranty leaflet.

The armchair is not equipped with wheels.
